

## Group menu for 20 or more people

### For groups we offer:

- Discounted prices for meals, drinks and additional services in the Diana Summer Complex.
- Every 21<sup>st</sup> person receives the ordered services for free – this can apply to guides, drivers or paying guests.
- For all ordered services, it is possible to pay on the basis of an issued invoice. We will send an invoice due within 14 days of the end of the event.

### Conditions for group reservations:

- The group should comprise 20 or more people.
- For faster preparation and service, it is advisable to order a single set meal for all members of your group. If this is not possible, we also accept an order with two main course options. In order to retain the reduced price, however, the number of selected main courses must total at least 10 portions each.
- The selected meal and number of portions must be specified at least 3 work days ahead of the group's arrival.

### With the group meal you can order:

- For CZK 90: A return ticket for the funicular; entrance to the Diana observation tower included.
- For CZK 30: A drink for each member of the group, with guests able to select any item from our menu priced up to 45 on-site (e.g. mineral water, juice, tea, coffee, beer, wine).
- For CZK 60: Entrance to the tropical garden with live exotic butterflies. Our unique Butterfly House is located right in the arcade of the restaurant.

**Procedure for selecting and reserving a group menu:**

- Combine the menu however you desire; all you have to do is send us the option number for the items you have selected (e.g. soup 2 + main course 10 + dessert 5).
- The total price can easily be calculated by adding together the individual items selected. Prices include VAT.
- You can choose a meal for your clients that contains from one to three courses. If you are interested in additional courses (e.g. salad), please let us know.
- For your selection we offer 7 types of soup, 12 main course options and 6 different desserts – see the table below. **The soup and dessert must be the same for all group members. There can be two main course options, but always with at least ten portions each.**
